### Keep us informed

Make sure EMI Health and our members can always find you. Please be sure to notify us if you move or change telephone numbers, TIN, or NPI.

### At your service

We take great pride in providing exceptional service to our participating dentists. Last spring, we shared the results of the 2010 provider satisfaction survey with you. Watch for the 2011 results in our next newsletter.

We value your feedback and participation in the survey. Of course, our ears are always open, so you don't have to wait for the next survey to express yourself. Feel free to contact your provider relations representative, Nancy Purdy, if you have questions or concerns.
